**OUR MISSION**

**WE ARE A COMMUNITY ASSOCIATION THAT SUPPORTS THOSE WHO ARE AFFECTED BY STROKE THROUGH COMMUNITY RE-ENGAGEMENT, EDUCATION AND ADVOCACY**

Stroke Survivors Association of Ottawa is a not-for-profit charitable non-government organization that provides assistance, advice, education, advocacy and community partnerships for the improvement of life for stroke survivors and their families. Stroke Survivors Association of Ottawa provides a range of support services from health and social programs, education, including the CONNECTIONS support program that provides emotional support and assistance in community re-engagement.

# CONNECTING STROKE SURVIVORS & FAMILIES TO A COMMUNITY OF SUPPORT, PROGRAMS & EDUCATION

**"By connecting with other stroke survivors, we have been blessed with a sense of caring community which has been inspiring. Truly it has been an oasis of encouragement and hope for us."**

**REV. JIM LEE  
OTTAWA, ONTARIO**

**CONNECTIONS** is a coordinated education and support program of the Stroke Survivors Association of Ottawa, Ottawa area Hospitals and in collaboration with the stroke community of Ottawa.

Family physicians, diagnosticians, social workers, nurses, occupational therapist, and other health care providers may refer clients directly to **CONNECTIONS**.

Each family that is referred will

- Meet a SSAO stroke survivor/care partner volunteer at the hospital to be introduced to the **CONNECTIONS** program
- Will receive a follow up phone call from the **CONNECTIONS** program within 1-2 weeks of the referral
- Will receive an information kit folder
- Will be provided information about Programs and Services in the area.
- Be Introduced to a **CONNECTIONS** Peer Support Team for ongoing support if needed.

Referring Clients to **CONNECTIONS**

- Ensures that families are connected very early to education, support and services
- Helps to reduce overall incidence and intensity of care giving crisis situations
- Helps to strengthen the link between diagnosing family physicians, the stroke community of Ottawa and community service providers
- Helps to increase effective and efficient use of community resources
- Follow up calls will be made 1, 3, 6, 9 months after the initial visit to help navigate through the Stroke Community.

## HOW WE CAN HELP...

STROKE SURVIVORS ASSOCIATION OF OTTAWA AND ITS MANY COMMUNITY PARTNERS OFFER A RANGE OF PROGRAMS AND SERVICES WITH THE SINGLE GOAL OF IMPROVING OF LIFE FOR STROKE SURVIVORS AND THEIR FAMILIES
